The Faculty Senate approves the recommendation of the Committee on Curricular Affairs:

"All Summer Institute Courses, not now so numbered for Summer, 1967, be changed to the 900 designation by Summer, 1968."

Comment: Recognizing the value of identification of some of the established Summer Institutes by numbers that may have been widely publicized and familiar to potential clientele, the FSCCA this year has permitted the directors of the Institutes to decide whether their particular offering would fare better under the old number or a change to the new 900 series. However, in the interests of uniformity, the Committee would prefer to see all of the Institutes renumbered and considers that the Summer, 1968, deadline offers ample time to bring about the changes.
