The Faculty Senate adopts the following regulation on notice of nonreappointment of faculty members of professional rank not eligible for tenure. These changes will be incorporated in the University Manual, Sections 3.49, 3.42, and 4.37. These changes resulted from recommendations of the Faculty Welfare Committee and are contained in Report No. 1, Nov. 25, 1966 and Report No. 2, Jan. 4, 1967 of the Committee.

Make changes!
1. The Committee recommends the addition to the Faculty Manual (Sec. 3.49, pg. 43) of the following statement on notice of nonreappointment of faculty members in the professorial ranks not eligible for tenure.

3.49 Notice of Nonreappointment
Notice of nonreappointment, or of intention not to recommend reappointment, of faculty members in the professorial ranks not eligible for tenure shall be given in writing in accordance with the following standards: (1) not later than March 1 of the first academic year of service, if the appointment expires at the end of that year; or, if a one-year appointment terminates during an academic year, at least three months in advance of its termination; (2) not later than December 15 of the second academic year of service, if the appointment expires at the end of that year; (3) at least twelve months before the expiration of an appointment after two or more years in this institution.

For consistency, the Committee recommends changing the dates in sections 3.42 (pg. 42a) and 4.37 (pg. 45) to conform to the above. In Sec. 3.42 change date from January 15 to December 1. Paragraph will now read (changes underlined):

3.42 The department chairman shall, annually, prepare a report in which every member of his department below the rank of professor (or its equivalent) is recommended for retention of his rank, or promotion to a higher rank, or separation from service at this institution. This report shall be in the hands of the respective deans by December 1 of each year.

In Sec. 4.37 change dates from February first to December 15. Paragraph will now read (changes underlined):

4.37 When Not Recommended for Tenure. If after action by the Board of Review it is determined that a faculty member will not be recommended for tenure, he shall be notified in writing by the President of the University not later than December 15 of the year preceding the year in which the faculty member would have met the time requirements of eligibility. However, failure to notify a faculty member shall in no way prevent the withholding of tenure and termination of appointment for unanticipated cause that becomes evident after December 15.
