Add the phrase, "(6-8 credits)" to the last sentence of the first paragraph of the General Education requirements. The paragraph would read as follows (addition underlined):

All undergraduate students in baccalaureate degree programs at the University and in its Division of University Extension are required to select and pass 45 credits of course work from the following three divisions. Of these credits, 18 shall be taken in one division, 15 credits in a second, and 12 credits in a third. Within each division, no more than 2 courses (6-8 credits) may be taken in one department or subject-matter area for general education credit.
