At its meeting of November 14, 1977, the Faculty Senate Curricular Affairs Committee considered the following matters now presented to the Faculty Senate.

**SECTION I**

Informational Matters:

**College of Home Economics**

Department of Child Development and Family Relations

CHANGE: Paragraph 1 on p. 70 of 1977-78 Undergraduate Bulletin as follows:

Students who wish to meet the requirements for the Provisional Nursery-Kindergarten Certificate in Rhode Island must take the following courses in addition to Group III: ECC 102 and 312, 406, and 485; CDF 240 and 245. The sequence of courses is extremely important since student teaching placements will be during the Fall semester only. Students interested in certification must apply by their third semester. It is suggested that they see their University College advisor as early as possible in their program.

**SECTION II**

Matters Which Require Confirmation by the Faculty Senate:

A. **College of Home Economics**

Department of Child Development and Family Relations

CHANGE: The number of credits for CDF 355 to "3.".

**Proposed amendment to section 3.40.12 of the University Manual**

The Curricular Affairs Committee recommends that the following amended version of section 3.40.12 of the University Manual be approved (changes are underlined):

3.40.12 The Dean of the Division of University Extension shall be responsible for the administration of the division and of Summer Session. The Dean shall appoint temporary lecturers for credit courses with the approval of the department chairpersons and the deans of the colleges concerned.

The CAC recommends this change to make the language of 3.40.12 consistent with 3.72.11-13 which was approved by the Senate on October 14, 1977. The Acting Dean of the Division of University Extension was consulted regarding this change prior to the CAG's action.

**SECTION III**

Joint Report of the Curricular Affairs Committee and Graduate Council on 400-Level Courses

At the October 3, 1977 meeting of the Curricular Affairs Committee and the October 14, 1977 meeting of the Graduate Council, the following matters were considered and are now presented to the Faculty Senate for confirmation:

**College of Resource Development**

Department of Animal Science

a. **ADD:** The following new courses:

1) ASC 474 Population Genetics in Animal Breeding (3,3) Genetic structure of populations, conditions of equilibrium and gene frequency changes. Inbreeding and other mating systems.
