On March 13, 1975, the Faculty Senate approved the following recommendation of the Executive Committee:

That department chairpersons not be evaluated during the 1974-75 trial evaluation of administrators and that the Evaluation Coordinating Committee consider the appropriateness of evaluating department chairpersons and the effect of contract provisions upon possible evaluation of chairpersons and make recommendations to harmonize evaluation procedures and contract provisions. This should be done when the committee makes recommendations in December, 1975 for the possible continuation and/or expansion of the procedures for evaluating administrators.
