Form revised 10/83
On October 11, 1984, the Faculty Senate approved the following recommendations of the Executive Committee:

That the procedure for election of officers be added to Section 5 of the By-Laws of the Faculty Senate as follows:

5.4 The election of officers shall be in accordance with the following procedures:

When more than two candidates are nominated for a single office, a candidate shall be declared elected on the first ballot if he/she received a majority of the votes cast. If no candidate receives a majority of the first ballot votes, then a run-off election shall be held between the two candidates who have received the highest number of first ballot votes.

For the two one-year positions on the Executive Committee, a candidate shall be declared elected on the first ballot if she/he receives a majority of the votes cast. If only one candidate is elected on the first ballot, a run-off election shall be held for the other position between the two candidates who have received the highest number of first ballot votes. If no candidate is elected on the first ballot, a run-off election shall be held among the four candidates who have received the highest number of first ballot votes. A majority vote is required for election.

That sections 5.4, 5.5 and 5.6 of the By-Laws of the Faculty Senate be renumbered as 5.5, 5.6 and 5.7.
