APPENDIX B

THE UNIVERSITY OF RHODE ISLAND
College of Arts and Sciences

TO: Faculty Senate
FROM: Arts and Sciences Curriculum Committee
DATE: March 5, 1991
SUBJECT: Charge of February 13, 1991 Meeting of A&S Faculty

The A&S Curriculum Committee endorses section 8.87.11 of the University Manual to safeguard students affected by the proposed elimination of the ROTC program presently being conducted at the University of Rhode Island. At present, there are 4 students on scholarship: 1 freshman and 3 sophomores. Also, there are 7 applications for a ROTC scholarship presently being processed; the number accepted is unknown at this time.

In 1992, there will be 7 students classified as MSC Level 4, who will need to complete the senior level courses necessary for commissioning. These students are all covered under section 8.87.11 and should be able to complete their required coursework for ROTC at URI.

If and when the University decides to end its contract with DOD concerning the ROTC program, the final date of ROTC presence on campus should allow time for the lowest level student to complete the program. Necessary notification should be made to prevent additional students from enrolling in the program as suggested by section 8.87.11.
