About Lifespan

Lifespan is a comprehensive, integrated academic health care system. The mission of Lifespan is to improve the health status of the people it serves in Rhode Island and New England through the provision of customer-friendly, geographically accessible, and high value services.

Lifespan prides itself in their ability to diversify and create an environment of inclusion by respecting and valuing the differences in race, color, gender, sexual orientation, gender identification and expression, genetic information, age, religion, national origin and veteran or disability status of all people.

For more information about Lifespan, visit their website at www.lifespan.org

About MetLife Auto & Home

Established in 1972, MetLife Auto & Home is one of the nation's leading personal lines property and casualty insurance providers. Subsidiaries of New York-based MetLife, Inc., the MetLife Auto & Home companies' administrative home office is located in Warwick, Rhode Island, and they collectively hold licenses to operate in all 50 states and DC.

MetLife Auto & Home insures nearly 4 million autos and homes countrywide. With approximately \$3 billion in premium, it is the 12th largest personal lines property and casualty insurance company in the U.S. and the nation's leading provider of employer-sponsored group auto and homeowners insurance. For more information about MetLife Auto & Home, visit MetLife's Web site at www.metlife.com.
